

UUP RETIREE DAVIS VISION COVERAGE

Group Number UPRE1 See Premium Schedule at End of Document

The Davis Vision Care Plan offers eligible UUP retiree members and dependents quality eye care services through a nationwide network of highly qualified optometrists. Davis Vision is a unionized company; employees are represented by United Optical Workers, Local #408 IUE/CWA, AFL-CIO.

Davis Vision Providers: Eligible retiree members will receive the maximum benefit from the Vision Care Plan when utilizing an in-network provider. A list of in-network providers is available at www.davisvision.com or by calling Davis Vision Customer Service at **1- 877-923-2847**.

How to Use the Benefit: Visit the network provider of your choice, identify yourself as a UUP retiree member or dependent, and provide the requested information. The provider's office will contact Davis Vision and verify eligibility for services. No claim forms or identification cards are required.

What the Plan Provides: Every 12 months (based on the last date of service), eligible UUP retiree members and dependents are entitled to a comprehensive eye examination that includes glaucoma testing and dilation when professionally indicated, and one pair of eyeglasses (prescription lenses and frames) *or* the benefit may be applied toward contact lenses.

Enrollment: To enroll, you must complete a Davis Vision enrollment form. Enrollment forms can be located at www.uupinfo.org or by contacting the UUP Benefit Trust Fund office at 800-342-4206 Extension #638 Anne Marine, Retiree Coordinator.

Open enrollment will be on an annual basis: June 1 – June 30. The effective date of coverage will be July 1. For those eligible retiree members who have a qualifying event, there will be no waiting period to enroll.

Premiums: Premiums must be paid on a quarterly basis. Please make checks payable to **UUP Retiree Benefits**.

Lenses and Frames: For Vision Care Plan prescription lenses and frames there are no co-payments or deductibles. Retiree members may select enhancements for nominal co-pay.

Contact Lenses: Standard, soft, daily-wear, disposable or planned replacement lenses may be selected from an in-network provider in lieu of prescription lenses and frames. The Vision Care Plan mandates specific requirements regarding contact lenses including complete patient training in insertion, removal, care and wearing time of contact lenses by the doctor or professional staff.

Once the contact lens option is selected and the lenses are fitted, the contacts may not be exchanged for eyeglasses.

Disposable contact lenses. New (to the provider or first-time) contact lens wearers will receive an initial supply (two multi-packs) of lenses, along with all necessary visits for proper fitting and follow-up care. Existing contact lens wearers will receive four multi-packs of lenses.

Splitting the Vision Benefit: Retiree members may split the benefit so that the exam is provided at a different time from the materials. The next eligibility date for each segment of the benefit will be determined separately based on the date of service for that particular segment.
